### How can you participate?

If your firm is a CMAA SoCal Chapter member submit your letter of interest to Amin Salari, [amin.salari@fonder-salari.com](mailto:amin.salari@fonder-salari.com) indicating desired match\*, number of weeks your firm can participate, and your firm's commitment to support the intern's learning experience. Describe how your firm will introduce the intern to the various phases of the construction process following the Foundation's guided program uniquely tailored to the CMIT track including services such as scheduling, estimating, technology and sustainability. A committee comprised of CMAA chapter members, and Foundation and Chapter Board members will review letters of interest and determine eligibility of firms based on level of commitment and opportunities afforded to students to have optimal exposure to the CM profession.

*\* Returning sponsors are encouraged to participate at the 100% level to grow internship opportunities. the Foundation can subsidize the difference firms can pay through two scholarship payments (at mid-point and upon completion).*
