

## Sponsor an Intern!

CMAA Member Firms are eligible to participate in Southern California's Premier CM Internship Program offered through the CMAA Southern California Chapter Foundation. The Program is in its 8<sup>th</sup> year of connecting mentor firms with talented young professionals from our local area institutions including Cal Poly Pomona, CSU Fullerton, CSU Long Beach, CSU Northridge, UC Irvine, and University of Southern California.

---

Firms who have participated at the 100% level due to the value received include:

**AECOM, CORDOBA, CUMMING, HARRIS, JACOBS, PENTA, PORT OF LONG BEACH, SECRETARIAT, STV**

Firms who have participated at the 50% or higher level include:

**APSI, ARCADIS, BERG, CW DRIVER, HILL, KENNEDY JENKS, LUNDGREN, PARSONS, PSOMAS, SIMPLUS, VALI COOPER, VANIR**

### What does the Foundation offer?

The Foundation reviews resumes of over 150 candidates and selects top candidates for interview. Candidates are then matched with member firms for up to a 12-week guided summer internship program. Interns are promised a \$20 per hour salary. Learn more about our program on our Chapter website [SoCal Internship Program](#). Firms who participate in the program are recognized alongside their interns at our Annual Awards Gala.

### How can you participate?

If your firm is a CMAA SoCal Chapter member submit your letter of interest to Reuben Tolentino, [rtolentino@psomas.com](mailto:rtolentino@psomas.com) no later than **March 16<sup>th</sup>** indicating desired match\*, number of weeks your firm can participate, and your firm's commitment to support the intern's learning experience. Describe how your firm will introduce the intern to the various phases of the construction process following the Foundation's guided program uniquely tailored to the CMIT track including services such as scheduling, estimating, BIM and sustainability. A committee comprised of CMAA chapter members, and Foundation and Chapter Board members will review letters of interest and determine eligibility of firms based on level of commitment and opportunities afforded to students to have optimal exposure to the CM profession.

*\* Returning sponsors are encouraged to participate at the 100% level to grow internship opportunities.*
